

SCRIPTURE MEMORY

Yes, You Can!

If you found out there was a surefire way to accelerate your growth in the Christian faith, would you pursue it?

We believe memorizing passages from God's Word is an incredibly powerful means of encouragement, conviction of sin, instruction and blessing in life.

Is it easy to do? No.

Is it worth the effort? Yes. More than you can imagine.

"I know of no other single practice in the Christian life more rewarding than memorizing Scripture. No other single exercise pays greater spiritual dividends! Your prayer life will be strengthened. Your witnessing will be sharper and more effective. Your attitudes and outlook will begin to change. Your mind will become alert and observant. Your confidence and assurance will be enhanced. Your faith will be solidified." (from Growing Strong in the Seasons of Life by Chuck Swindoll)

"The mind set on the flesh is death, but the mind set on the Spirit is life and peace." Romans 8:6

We all desperately need renewed minds.

Will you join us this year in memorizing either Ephesians 2 or Psalm 103? You won't be sorry.

"Biblical meditation is an antidote to the unprecedented stress of our age. This habit can dramatically lessen your anxiety in life, reduce your stress, bring new success to your days, and leave you with ocean depths of inner peace." -Robert Morgan

"The Word, stored in the heart, provides a mental depository for the Holy Spirit to use to mediate His grace to us, whatever our need for grace might be." -Jerry Bridges
